

Test Plan

Written By: Laura Arnold

Date: May 18, 2025

Project: Ultimate QA Login

Introduction: https://courses.ultimateqa.com/users/sign_in

Overview: Functionality of login feature

Scope: This test is to be completed by inputting the correct login details to gain site access.

Team: Laura Arnold

Objective: The objective is to ensure that when a user enters their username and password, they will successfully gain access to a website.

Goals: To determine that the test was successful, there will be a “200 OK” and “passes” marked under the status.

Test strategy: To perform the test, an email and password will be entered in the login fields using Postman and Cypress.io.

Type of testing: Functionality

Testing environments: Stage

Device matrix:

Platform	OS	Browser
MacBook Air (13-inch, 2017)	macOS Monterey 12.7.5	Chrome version 135.0.7049.96

Test deliverables: Test Cases/ Scripts/Bug reports

Test cases:
